For any approved return that is not due to an error by Deuxsentique, the customer is responsible for the return shipping costs.

We strongly recommend using a tracked delivery service, as we cannot accept responsibility for items lost during return transit.

6. Refunds

Once your returned item has been received and inspected:

- We will notify you whether your refund has been approved or declined.
- Approved refunds will be issued to your original payment method within **7–10 business days**.
